- Portfolio: <https://muykhorngzz.github.io/Portfolio/>
- Sangkat Teuk Laak, Khan Toul Kork, PhnomPenh

EDUCATION

B.Eng. Applied Mathematics & Statistics Data Science

Expected 2027

- Institute of Technology of Cambodia
Year 4 Rank 1st GPA: 4.00 / 4.00

ACE general english program

2023

- Australian Center of Education
IELTS band 7.5

General Chinese program

2026

- Cambodia-China University of Technology & Science
HSK 3 class

TECHNICAL SKILLS

Data Analysis & Business Intelligence

- Python, SQL, Pandas, Excel, Power BI, Matplotlib, Scikit-learn, Feature Engineering, Model Evaluation, Streamlit

Data Visualization

- Power BI, Matplotlib, Seaborn, Plotly, Dashboard Development, Data Storytelling

Data Engineering

- Kafka, PySpark, Structured Streaming, ETL, Medallion Architecture, Docker

Advance Mathematics

- Probability, Statistics, Linear Algebra, Calculus, Optimization, PGM, Mathematical Modeling

SOFT SKILLS

- Analytical Thinking
- Public Speaking & Presentation
- Stakeholder Communication
- Cross-cultural Communication
- Problem Solving

ACADEMIC PROJECTS

- Real-Time Grocery Sales Data Pipeline & Power BI Decision Intelligence System
- KhmerTrust Bank – Online Banking System
- HR Management Dashboard
- Sales Prediction System
- Extreme Weather Forecasting System
- Diabetes Prediction System
- Breast Cancer Prediction System

COLLABORATIVE PROJECTS

- Smart Khmer Audio Learning & Conversational AI Tutor (InnerEcho)
- AI-Based Adaptive Traffic Signal Control System

AWARDS & HONORS

- Champion Team – NUS Young Fellowship Program **june 2026, Singapore**
- Best Presentation Award – IEEE TIC **june 2026, KL, Malaysia**
- Champion – CATALYST 2025 *AI Healthcare Pitching Competition*
- Full Scholarship Awardee – Young Fellowship **Singapore (YFS) 2025**
- Top 15 Finalist – Honda Young Engineers & Scientists Award 2025
- Gold Medal – ASPIRATION Project, (MoEYS), 2021
- fully-funded AI bootcamp at Instinct Institute

LEADERSHIP & PROFESSIONAL ACTIVITIES

- Leader – Data & Business Analytics Student Club
- Marketing & Sales Intern – Spring Education Center
- Presenter – 14th Scientific Day, presenting two ML projects
- Selected Candidate – NUS Mathematics Track Program, **SG 2025**
- Participant – UNESCO UNITWIN Data Science Camp 2023, PP
- Participant – MOVERS Workshop: Orientation to Entrepreneurship
- Winning Team Leader – Student Sharing Knowledge Forum Debate Competition, The Westline School

CERTIFICATIONS

- UNESCO UNITWIN Data Science Camp ‘Standard level’
- AI Bootcamp Scholarship Recipient
- HTML, CSS & Tailwind CSS
- C/C++ & Object-Oriented Programming (ETEC)
- Microsoft Office (Word, Excel, PowerPoint)

VOLUNTEERING

- CamTESOL & IDP Education (2023–2024) – IT Support & General Team, 20th & 21st Annual CamTESOL Conference
- IDP Education (2023) – English Interpreter, Scholarship & Study in the US & Canada Expo
- Institute of Technology of Cambodia (2025 & 2026) – Master of Ceremony (MC), AMS 1st & 2nd Generation Thesis Defense
- APYE (2023) – Airport Pick-up & Hospitality Team
- ACE (2023) – Event Organizer, Graduation Ceremony
- Tech For Kids – Registration & Event coordinator
- PPSA (2023) – English–Khmer Translator
